

Nursery Information

Loving and caring adults are trained to take care of your little one(s) while you attend the worship service. We feel strongly that the nursery is not just babysitting but the opportunity to show Jesus' love by playing, holding, singing, rocking and loving your baby. Thank you for intrusting us with your child.

Child(ren) Dedication

If you are interested in dedicating your child(ren) to the Lord, classes are available throughout the year. The class shares the importance of the dedication, raising your child in church and how Children's Ministry works at FCC. Dedications take place on Sunday mornings, 1st, 2nd or 3rd service, on the date of your choice. If you want to dedicate your child(ren) please contact the church office for more details.
