The Women of Galilee Annual Spring Brunch

May 7, 10:30 a.m. - 12:00 pm - Tucker Hall

The charge of \$10.00 for brunch will be donated to the Virginia Beach Justice Initiative.

Human Trafficking in Hampton Roads - How Faith Communities Can Help

Speakers:

Lori and Patrick McKenna, Virginia Beach Justice Initiative;

Officer Jim McElligott, Virginia Beach Police Department, Crime Prevention Unit.

Human trafficking is a form of modern day slavery where people profit from the control and exploitation of others. Today, around the world, 27 million persons are said to be enslaved in conditions of forced labor or sexual servitude. In the US there are estimated to be 100,000 children involved in child prostitution and sex trafficking. Human trafficking is one of the fastest growing criminal industries in the world.

This form of exploitation happens in all 50 states...and Hampton Roads is not immune to it. In an effort to begin to raise awareness and address this problem in our region, Lori and Patrick McKenna founded the Virginia Beach Justice Initiative (VBJI) in 2011 as a call to action; a call to prayer. Their vision was for local faith communities to "champion" this cause.

In December 2012, the VBJI partnered with Regent University's Center for Global Justice and the Protecting Children Foundation to host a Regional Summit on Human Trafficking. From that event, more than 30 different organizations (including local law enforcement, civic organizations, nonprofit organizations, faith groups, shelters, and government agencies, etc.) committed to be part of a regional task force to further collaborate on how to better identify and address the problem of human trafficking and the needs of its victims. This task force, now called the Hampton Roads Coalition Against Trafficking (HRCAT), meets monthly.

Mr. and Mrs. McKenna will speak on local human trafficking and the work of the Virginia Beach Justice Initiative. Officer Jim McElligott, who has also been involved with this initiative, will speak from the perspective of the Crime Prevention Division of the Virginia Beach Police Department. Both will share their thoughts on how faith communities can best be of service.

CONCERT

Gustavo Andres is playing a concert with Matthew Ernst (principal trumpeter at Virginia Symphony) on May 8th, 12:15 pm at First Presbyterian Church in Virginia Beach.

Works to be performed by Louis Vierne, Maurice Duruflé, Marcel Dupré, Giovanni Viviani, and Johann Molter.

The concert is one of the Organ Swell AGO series, in collaboration with the Virginia Symphony Orchestra and part of the 2013 Virginia Arts Festival.

FROM THE RECTOR

Dear Friends,

One of the marks of a converted heart for Jesus is an increasing care in your life for the broken, the hurting and the poor. In John 12, Jesus says: *The poor will always be with you*. As your heart becomes cruciform, you will look, more and more, look for opportunities to serve as He served. The earliest Christians made it their business not only to share about Jesus, but also to care for the needs of the poor--at home and far away.

With the pace and complexity of life, many feel hard pressed to step outside ourselves for regular outreach--and yet it's essential. At Galilee we do all we can to encourage you to make that step. Short-term mission trips are one of many ways to do that. Short-term missions are expensive, but going to a third-world nation and caring for others has a long term benefit for you: You'll become more aware of your own blessings, and you'll live more intentionally with what you have. You'll also care more, here at home, for the needs of the poor--and you'll likely pray more. See inside this NET for information on an upcoming short-term mission to Uganda--where you can make an actual, palpable difference in people's lives by installing solar power at (for example) orphanages. Next November there will be another opportunity to serve on the Dominican Republic medical mission.

While Galilee can't cover the *entire* cost of an adult short-term mission, we do have limited scholarship funds available--and you can apply to receive them by contacting the parish office.

Go into all the world said Jesus. (Matthew 28.19)

In Christ,
Father Buchanan+

WOMEN'S RETREAT

WARDEN'S REPORT

Your Vestry enjoyed a wonderful retreat in late February and set aside most of the time to talk through the needs of the church as we move forward. Our church has been blessed with steady growth in attendance since our new clergy arrived, and with that growth comes changes in the way the church "feels".

We averaged approximately 350 attendees on an average week in the year before Andy Buchanan arrived, and that number grew to over 460 in 2012. The increase in our parishioners of 30% is a tremendous blessing, but it also changes the church in some ways - the percentage of familiar faces goes down, the personal attention available from Andy goes down, and the potential for individuals within the church to feel left out goes up.

Anticipating that we will continue to grow, and hoping to do so with prayer and preparation, we spent time at our Vestry retreat studying an article entitled "Leadership and Church Size Dynamics (How Strategy Changes With Growth)". Many of us felt that during Galilee's last growth surge in the mid 2000's, the rapid pace led to a disconnect between groups of parishioners, leading to friction and worry instead of praise and worship for the growth in God's kingdom. We now have the benefit of looking back in history and learning from it to ensure we do a good job going forward.

One initiative that the article encouraged and that the Vestry agreed with was to Increase Intentionality around welcoming those people coming to the church. The article notes - "The larger the church, the more systematic and deliberate the assimilation of newcomers needs to be"

We felt that if we do a good job of embracing and incorporating visitors and new attendees, they will not be strangers long, and they can more quickly become a true part of our community. We will let you know more about this initiative as our plans evolve, but I want to thank all of you because I feel that Galilee is already a very welcoming church, and we hope to stay that way as we grow.

Blessings,
Robbie Berndt, Senior Warden

As Galilee Church grows in numbers and programs the good news is we are blessed with a wonderful physical plant capable of supporting these changes. This year's budget funds both normal maintenance and capital improvements to better your time at the church.

We have a wonderful team in place to keep the building and grounds in great shape. Their work is mostly transparent to you as you worship. Two items you will see though are: a new Galilee sign at the front of the church; and new main entry doors (stained mahogany). Also being studied are: air conditioning upgrades; sanctuary flooring/pew upgrades; and 2nd floor classroom upgrades.

We are open to ideas to better your worship at Galilee. Please feel free to contact me with any ideas you have. Thank you for the opportunity to serve the Lord.

UNITED THANK OFFERING

Spring Ingathering for Missions

April 14 & April 21

Galilee Church continues to generously support missions through the United Thank Offering. Two weeks have been set aside, this spring, to give our thanks to God. UTO envelopes that are used for checks and cash, or UTO boxes will be out in the lobby areas for your convenience. Make checks out to Galilee Church and identify UTO/ Missions on the check. Let's continue to be a blessing to those who reach out to others with the love of Jesus!

by Pete Pearson

Solar Light for Africa is embarking on plans for this summer's 14th youth mission to Uganda, East Africa. The team consisting of a select number of American Christian young people – senior high and college age - will depart from Dulles Airport on Monday, July 8, 2013 and return to Dulles on Tuesday, July 23, 2013.

We will be installing solar panels, lights and power outlets in several rural schools in the south west corner of Uganda. These installations will enable students to study after dark and charge laptops as well as cell phones. We will cross the Equator, cruise the Nile River and spend a few nights at the Nile River Camp overlooking the Nile.

The cost of the mission is \$3,800 which includes round trip travel from Washington, DC, to Entebbe, Uganda, all food and lodging in Uganda, and a portion of equipment costs. For further information contact Pete Pearson at 428-8953 (petepearson@cox.net) or go to Solar Light's web site at www.solarlightforafrica.org, contact Charlene Turner at 321-615-0206.

I plan to go but would really enjoy having some young people from Virginia Beach.

The Morning

The Morning is the time for man to rise
Review the things that formed his past
Make all his disappointments and mistakes quite clear
So they will be his last

The Morning is the time for man to think
Of all the things to come
To plot, to plan, to try his best
To be ahead when day is done

The Morning is the time for man to dream
Of things not yet conceived
To gather his thoughts and ideas round
The things that he alone believes

The Morning is the time for man to rise
And Think and Dream and See
That all the world depends on men
Who with thoughts of hope the day begin

EUCCHARISTIC MINISTERS

Did you know that if you can't come to church, church can come to you?

We have six Eucharistic visitors licensed by the Bishop, who are prepared to come to you at home, in the hospital, or rehab facility.

All you have to do is call the church office at 428-3573 with a reasonable amount of notice to make the request. One of the lay Eucharistic visitors will call to set up a convenient time after one of the Sunday services.

(The first canon in the Episcopal church that allowed lay people to take the Eucharist immediately after the Sunday service to ill and infirm members of their congregation was passed by the 1985 General Convention from *A Manual for Eucharistic Visitors* by Beth Wickenberg Ely.)

GALILEE MONTESSORI-

A SHORT HISTORY

LESSON: PART 1

Are you wondering who Maria Montessori was? Maria Montessori was not an educator by training; she was a medical doctor. In fact, she was the first woman to obtain a Doctor of Medicine degree from the University of Rome in 1896. Her dissertation was in neurology. In addition to her own medical practice, she worked with hospitalized children with serious learning disorders. She had studied the physiological method of Edouard Seguin in depth and applied and furthered his approach of stimulating the mind through the education of the senses. The results were so extraordinary the name of Dr. Maria Montessori became well known. She then studied anthropology and observed and researched in schools, preparing herself to apply her discoveries to normal children.

Galilee Montessori has completed re-enrollment for the 2013-2014 school year. We are now accepting new applications for the Fall for all levels (pre-K - 3rd). We invite you to come and check us out. Please call the school at 428-1034 to make an appointment to observe.

MEMORIAL DAY SERVICE

Please be aware Memorial Day is Approaching. A recent Galilee practice that hopefully will become a tradition is called to your attention. Veterans are asked to wear their campaign ribbons, medals, and decorations. It is respectfully asked of active duty personnel to wear their service uniforms, decorations, etc.

All of the above lends an importance to the day. It also lets those who share the pews know something about with whom they are sitting. It makes young kids ask questions and adults to seek answers. In short it's a positive experience on a National Day of Remembrance that is need by all.

EASTER LESSON & EGG HUNT

Gather your best Easter basket and get ready for a fun morning of hunting down goodie filled eggs.

**Saturday, March 30th,
Nursery-5th grade
10:00am—11:00am**

With 3 separate hunting grounds for the various age groups, everyone will have a chance to find their group's golden egg and win a special Easter prize.

Come out for a lesson on the true meaning of Easter and stay for the fun.

Cookies and lemonade served after the festivities.

Please email katie@galileechurch.net to sign up, so we can be sure we have enough eggs for everyone.
