

International Student Admissions 2017-2018

1. Make application through a foreign exchange agency, complete a comprehensive application if required by the foreign exchange agency, and complete all Gem State Adventist Academy application forms.
2. Have a local guardian and/or agent. The name, address and contact numbers of the US-based guardian/agent must be included with the application.
3. Provide evidence of grade level in which to be enrolled and documentation of time spent in courses and/or credit issued. All transcripts and supporting documents must be presented in English.
4. State intentions including the number of years planning to attend, whether planning to receive a diploma, and whether planning to live in the dormitory or with a host family.
5. Demonstrate English language proficiency through a **TOEFL Junior score of 755 or higher**, a personal Skype or FaceTime interview, and a GSAA English language assessment exam (or have demonstrated proficiency at an English-speaking school in the United States or other native English-speaking country.) A math assessment exam will be required for math placement purposes.
6. Have achieved the equivalent of a 3.00 G.P.A. or B average as evidenced by school transcripts.
7. Submit medical records with the application that include a current immunization record of all immunizations since birth, a tuberculosis skin test result, and a physical examination form completed by a physician.
8. Return three completed personal reference forms to the school. A student will be considered for acceptance after the above items have been received, and references have been checked.
9. To meet deadlines for processing visas, passports, and I-20's, prospective students should apply for admission for the first semester by June 30 or for the second semester by October 30. If an I-20 form is required, the registrar will send it with the acceptance letter.
10. International students are expected to speak in English when in attendance.
