Family Summer Nights

hosted by Georgetown Baptist Church

Sunday School is important! The children's ministry has all new curriculum for every age group, birth through 6th grade! Come experience Sunday School and see how your child grows in their understanding of God and Biblical truths.

Nursery (Birth-36 months) - In the nursery we don't just babysit - we begin to teach your littlest ones about Jesus. In ministering to all the needs of babies & toddlers, a foundation of trust is established between child, parent, and volunteer. Our nursery focuses on Jesus & His love!

Preschool Ages 3-K - Get your kids into God's Word in Preschool. Children learn to recognize that the Bible is God's Word and that God loves and cares for us.

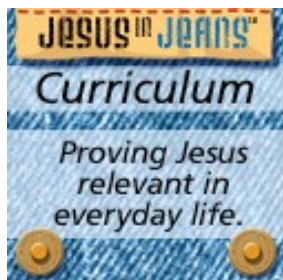

Children 1st-4th Grade - Children will discover the keys for victorious living, learning to know, love, obey, and serve Jesus. This curriculum is all about discipleship! Visit DiscipleZone.com to see the interactive website for both parents and children.

Preteens 5th & 6th Grade - J12 is a specialized strategy for preteens. Based on the greatest preteen role model the world has ever known, Jesus. J12 gives specific structure to discover their Father's business for their life & how to grow in their relationship with Him.

We continue our Bible studies on Wednesday nights with Bible study for children. Children from birth through 6th grade will study the Bible, learn verses and how to apply what they learn to everyday life.

Children's summer program meets each Wednesday night from 6-7:30 pm. Check-in starts at 5:45 pm. Join us for another exciting year of Bible study, memory verses and recreation.

All children need to be registered Jesus in Jeans - proving Jesus relevant in everyday life. This theme takes kids on a journey from Jesus' birth to His resurrection. It addresses daily struggles and temptations kids face and teaches them to look to Jesus for help and answers.

TeamKid will resume September 2

Women's Ministry

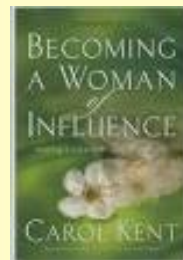

Sunday Morning

Ladies Bible study meets every Sunday at 9:00 am in the office suite. Rhonda Goldsmith is the facilitator. The ladies are currently working through the Bible study, "She's Got Issues," by Nicole Unice. We've all got our issues. We deal with our issues every day in one form or another. The problem is, after a while, they start to feel... normal, unchanging, just part of who we are. And we forget that we have access to the power of Christ - a power that can transform our everyday weaknesses into our greatest strengths and gifts. Come join a warm, caring, fun group of ladies of all ages as we study the

Wednesday night

The women every Wednesday at 6:00 pm in the Office Suite. Current Bible study is "Becoming a Woman of Influence", by Carol Kent. In this study, the ladies will learn how to mentor others like Jesus' disciples did. Whether you are an "ordinary" Christian or a trained leader, you can prepare to live intentionally and become a valued mentor who leaves an eternal mark on others.
