Expository Sunday School Class - Job

Len Lewis & Dwaine Flemmens (Room 9)

At one time or another, almost everyone has felt like Job. While going through trials and times of suffering, we are often overwhelmed by self-pity. We want an explanation for why God allows trials to happen to us. The book of Job records the troubling questions, the terrifying doubts, and the very real anguish of a sufferer. This book can help us in the time when we are surrounded with troubles by giving us a glimpse of God's perspective on our suffering. Come join us in our study; all are welcome.
