

Global's News

2010 has been a very exciting year for Global Samaritans in both the United States and in Zambia. It is our privilege to share some of our news with you!

United States

- Global Samaritans launched a redesigned and updated website featuring our new logos!
- We also began an online store to feature and sell logo and handmade items which benefit our college education fund.
- Six teams braved the World Cup traffic to participate on one of our mission teams. Thank you to those who served!

Zambia

- Global Samaritans High School was officially dedicated in June and there are currently fifty-six children enrolled from both the children's home and nearby villages.
- We are also proud to announce that five of our children competed and won a debating competition organized by UNICEF. They competed against ten other schools and won \$1,000 in schoolbooks. Way to go!

Christmas Time Is Here

Have you ever wondered what Christmas is like around the world? Well, at the Global Samaritans Children's Home in Zambia it is an exciting time! Although the weather is very hot, there are plenty of Christmas carols, food and fun.

The children have a much deserved break from school and wait eagerly for Father Christmas. After a big celebratory meal of chicken, nshima and sweets, our school headmaster, Owen plays the role of Father Christmas and hands out presents. All of the children get toys and games, as well as clothing items.

Last Christmas Eve, our children were invited to sing at the Sun International Hotel. This is a luxury hotel in Livingstone that has always been supportive of the children's home. This was quite an honor for Global Samaritans and a great experience for our children! Everyone is looking forward to singing again this year.

As we celebrate the birth of our Savior, please remember the reason for our celebration. May we all be thankful for our many blessings. **Merry Christmas** from Global Samaritans!

Global Samaritans Online Store

We have launched an online store! Our store currently offers logo items such as coffee mugs, car magnets, mouse pads, and much more. We also offer handmade items created by the children and staff of Global Samaritans. The handmade items include bookmarks, note cards, purses, and beaded crosses. We will also have several t-shirts available for purchase and we hope to continuously add more items.

All of the proceeds from items sold in our store will go directly to supporting the college education fund of the children at Global Samaritans. Make sure to order something for that special someone while providing for the college education of our children!

The store can be accessed through our website via the News & Media tab and at www.globalsamaritans.myshopify.com
