SAY IT WITH A LOLLIGRAM ON VALENTINE'S DAY

Valentine's Day, a special day set aside to express our love toward friends and family, is quickly approaching. The 4th - 8th grade students would like to help all of us express those feelings. Last year the students and adults had such a good time with this event, that we can't wait to do it again! Order forms have been sent home and more order forms are available in the school office. **LOLLIGRAMS** may be ordered with a personal message attached for just \$1.00 each, which must accompany each order. The **LOLLIGRAMS** will be delivered to each of our classrooms on Thursday, Feb. 14th. Students will want to order lollipops for their friends at school, moms and dads, grandparents, and brothers and sisters. Parents can send a lollipop and loving message to their children and to their friends and co-workers, and everyone will want to order a lollipop for his or her teacher!

Discount Cards Are Still Available and sell for only \$10 each. The best part is that they can be used every day for all of 2019! We are counting on each of our families to buy or sell at least one card and share this great offer with family and friends. Your support is very much appreciated!

“Clap your hands, all you nations; shout to God with cries of joy. How awesome is the Lord Most High, the great King over all the earth!” Psalm 47:1-2
