LUTHERAN SPECIAL EDUCATION MINISTRIES

The **third quarter Chapel offerings** are designated for our annual Hearts For Jesus project. This year's project will be Lutheran Special Education Ministries. The Lutheran Schools in our Florida-Georgia District are expanding the number of special education programs offered. Many parents of students with educational struggles or difficulties are unable to keep their children in a Christian school environment and still receive the help they need. We hope to change that so a parent will never need to choose between their child's education and spiritual growth. **Thank you for your continued support!**
