Happy Spring

3rd Quarter Mission Update

Our third quarter mission was designated for **LeadaChild**, an international educational ministry that exists to share the love of Jesus with children around the world through Christian education. **Leadachild** has allowed our children to share their same educational and spiritual gifts with children in third world countries, helping to provide a great education and connecting more children to Christ our Savior! Through your generosity we are able to send \$730.00 for this wonderful ministry! Thank you for your continued support!!

SHARING THE LOVE OF JESUS
With Children Around The World

4th Quarter Mission Project

The Chapel Offerings for our fourth and final quarter of the school year are designated for “Showering Love”. This organization is a non-profit that provides mobile showers, new undergarments, socks, and hygiene travel kits and other supportive services for people who are experiencing homelessness.

How do they do it? “Grace,” as she is affectionately known, is a 44 foot former Miami City Bus that has been converted into a completely self-contained mobile shower transformative platform equipped with 2 private showers (1 of which is ADA compliant) restroom facilities. Grace also has a handicap lift on the side, so no one gets turned away. Showering Love meets Guests where they are, and partners with churches, universities, government agencies, law enforcement, hair stylists, barbers, meal sharing programs and other non-profits to serve the community. When Grace pulls up, and her doors open, Guests, volunteers and partners are physically, emotionally and spiritually transformed and lives are renewed via the Showering Love experience!
