Attention Audio Techs:

Please plan to be present at our Wednesday evening practices with the rest of the Worship Team. You do not need to stay for the full practice (Just the first 30-45 mins approx.), but having you on hand for sound check and set-up would be very helpful to us. Please let Pastor Dave know if this is not possible for you.

Thanks!

Special Music Participants:

Thanks for being willing to serve in this way! In order for us to plan, please provide for me the title and lyrics of your song, any special accompaniment needs you might have (i.e. the worship team to play with you, extra instruments plugged in to the sound system, etc.), and the names of anyone participating with you at least 1 week prior to your performance. If you have any questions or need help choosing a song, feel free to call.

Thanks again!
