

room assignments

Nursery

Infants—Room 14

Babies who are content to be held, sleep, or sit in a swing or bouncy seat.

Creepers—Room 13

Babies who are sitting up, interested in playing on the floor and with toys. Crawlers and walkers who are not yet stable on their feet.

Seahorses—Room 3

Children who are stable on their feet. Those interested with the activity of other children and who enjoy more independent play.

Promotion within the nursery classrooms will occur at anytime during the year according to each child's developmental progress and space available.
