As the Father has sent me, I am sending you.
I am sending you.

Welcome...

Grace Chapel Indio is a growing, lively, dynamic congregation of people who love God and have a desire to know Him more intimately through His Word and serve Him in their daily lives.

We are a diverse congregation. Even though there is a wide variety of races, backgrounds and ages, we all share a common commitment to Jesus Christ as Lord and Savior. It is our mutual desire to know Him better and to grow in the knowledge of Him as He has revealed Himself in His Word, the Bible.

We also believe that worship of God is to be led by the Spirit. We want to emphasize the excitement and joy of being led by His Spirit in all that we do. This brings us into a dynamic relationship with Jesus Christ and with one another.

Our Focus in the Word

Current Series—Authentic Christianity

We are presently in a short topical series of messages entitled *Authentic Christianity*. In this series we will be looking at what the Bible clearly declares regarding how a person who claims a relationship with Jesus Christ as Savior and Lord should live. Is there a need for such a series of messages? Obviously, this Pastor believes there is! But I am not the only one. Other Pastors agree that authentic Christianity "is a far cry indeed from the mild compatibility that passes for Christianity in thousands of churches across the land. The Great Imitation is so widely accepted as genuine Christianity that the real thing is often regarded as a threat or a heresy whenever it appears."

(Ray Steadman, *Authentic Christianity*, pg. 17).

Worship Etiquette

It is our desire to focus on Jesus with our whole heart and mind as we worship. In this spirit, we ask that personal needs be attended to before services begin and that **all cell phones be silenced. If you must leave after the teaching of the Word begins, instead of returning to the chapel, please be seated in the overflow room.** We have classes for children where they may worship on their own level, and all children from infants to sixth grade are encouraged to attend. God bless you as we worship together.

Happy Mother's Day!

Introduction to Community

Community groups are the primary vehicle for knowing, sharing, and glorifying the Word of God.

Scripture is clear that the ministry of the Holy Spirit is to equip the members of the church.

At Grace Chapel, community groups are another way to be worshipers of our Lord in a supportive and challenging one another. And, as we grow in our relationship with Him in community.
