Behavior Policy & Discipline Guidelines

Grace Church believes in a biblical approach to nurture children and is committed to providing an environment where children feel safe and have the opportunity to learn about God and His Word. Children are encouraged to practice, without the use of aggressive or destructive behavior, conflict resolution skills, while learning to love and forgive their neighbor. This is seen as a means of preventing behavioral difficulties between children and lessens the need for disciplinary action on the part of the teacher.

When situations occur that require intervention, teachers will provide children with clear explanations as to why specific behavior is inappropriate and help them to find alternative behavior that fits within the church and classroom guidelines. These guidelines revolve around concerns for the safety of all children and respect for the principles of God’s Word. Rules will be short and simple, stated in a way which elevates correct behavior, and used consistently. Consequences for violating the rules are meant to correspond with the violation (i.e. physical action, being more severe, will have a more stringent consequence).

Consequences that have been set are in consideration of the child, classmates, and teachers. Grace Church has set the following guidelines with the appropriate consequences for unacceptable behavior:

**Physical Action**

If a child physically hurts another child, action will be taken immediately. This includes:

- Biting
- Punching
- Slapping
- Fighting

The child that has physically hurt another child will be taken out of the classroom immediately. The parent will be notified and the child will remain with the parent(s) for the remainder of the church service. The child will be given a verbal warning and the parent will be encouraged to administer consequences at home.

The child that has been injured will be attended to immediately. The “victim’s” parents will be notified immediately if there is an emergency situation. If there is not an apparent emergency, the parent will be notified of the situation after worship service.

If a physical incident occurs a second time within a year, the child will be taken out of the classroom immediately and the parent notified immediately.
Behavior Policy & Discipline Guidelines (con’t.)

Participation will be suspended until the parent can discuss their child’s behavior with church leadership. A plan will be established for the child’s future conduct.

If a physical incident occurs a third time within a year, the child will be taken out of the classroom immediately and not be allowed to re-enter until an evaluation by church leadership determines that the child will no longer be a threat to other children.

**Verbal Action**

If a child uses inappropriate verbal language with another child or teacher, action will be taken immediately. This includes:

- Classroom Disturbance
- Name calling
- Profanity
- Disrespect

After the first offense, the child will be given a warning and the parent notified of the action. The parent will be encouraged to deliver consequences at home.

If a verbal violation occurs a second time within a year, the child will be taken out of the classroom immediately and the parent notified immediately. Participation will be suspended until the parent can discuss their child’s behavior with church leadership. A plan will be established for the child’s future conduct.

If a verbal incident occurs a third time within a year, the child will be taken out of the classroom immediately and the parent notified immediately. The child will not be allowed to re-enter unless an evaluation by church leadership determines that the child will no longer be a disturbance in the classroom.

**Instructions for Administering Behavior and Discipline Guidelines**

If a child acts out, the teacher will be kind and respectful, but firm. Teachers are instructed to go to the child privately to prevent embarrassment, uphold their dignity, and allow the child time to calm down.

If the child is unable to manage his behavior, their parents will be called and asked to intervene.

*Teachers are never to spank, hit, grab, shake, or otherwise physically discipline anyone.*

Separation from the parents often causes young children to have difficulty adjusting to a new environment. Teachers will be particularly sensitive to this issue. If a child is having difficulty because of a parent’s absence, the teacher will allow the child to cry while comforting them. If the child continues to be upset, and cannot be consoled within a reasonable time or refuses to participate in the lesson for that day, the parent will be contacted.

In some cases, especially in the Nursery, the parent may be asked to come to the classroom to help calm the child. The goal is to help the child adjust, have a good time, and learn God’s Word.

PROCEDURES REGARDING ABUSE

Identifying Abuse

1. The Law defines child abuse as: (1) Physical abuse, (2) Neglect, both general and severe, (3) Sexual abuse (including sexual assault and sexual exploitation), (4) and Emotional abuse.

2. Child abuse means “a physical injury which is inflicted by other than accidental means on a child by another person” (Pen. Code Section 11165.6). It is also defined as the willful harming or endangering of a child, or cruel or inhuman corporal punishment or injury.

3. No single indicator of abuse or neglect is necessarily cause for alarm, but it may be cause to observe a given person or situation more closely. When multiple indicators appear together, however, it is appropriate to discuss the situation with someone else in the church, or in urgent cases, to make an actual report to the civil authorities.

4. Indications of physical abuse: child reports injury by others; unexplained bruises, welts, lacerations, burns, fractures, abdominal injuries, or human bites; child is usually wary of physical contact with adults, demonstrates extremes in behavior, or seems frightened of parents or caretaker.

5. Indications of sexual abuse: child reports abuse by others; has difficulty walking or sitting; torn, stained, or bloody underclothing; complaints of pain or itching in genital area; bruises or bleeding in external genitalia, vaginal, or anal area; unusual interest in or knowledge of sexual matters; or other unusual or excessive behaviors inappropriate for a child of that age.

Reporting Abuse

Volunteers are not mandated reporters. However, volunteers in public and private organizations who have duties that require direct contact and supervision of children should be encouraged to obtain training in the identification and reporting of child abuse.

A clergy member, as specified in subdivision (c) of P.C. 11166 is a mandated reporter and legally must report known and reasonably suspected cases of abuse immediately.

If abuse has occurred or there is “reasonable suspicion,” a report must be made to any police department or sheriff’s department immediately. (P.C. 11165.9)

Any mandated reporter who knows or reasonably suspects that the home or institution in which the child resides is unsuitable for the child because of abuse or neglect shall inform the agency about the unsuitability of the home at the same time he or she reports the abuse or neglect. (P.C. 11166(f))

A mandated reporter who fails to make a required report of child abuse is guilty of a misdemeanor, punishable by imprisonment, fine, or both.

Mandated reporters have immunity from criminal and civil liability for any report required or authorized under the Child Abuse Reporting Law. (P.C. 11172)
Any person who makes a report of child abuse, even though he or she is not a mandated reporter, has immunity unless the report is proven to be false and it is proven that the person either knew the report was false or made it with reckless disregard of its truth or falsity. (P.C. 11172(a))

**Notice of Injury, Abuse, or Molestation**

1. Workers who become aware of injury, abuse, or molestation connected with any ministry activity will immediately inform their Ministry Leader of such injury, abuse, or molestation. Workers are not to discuss the situation with anybody but the leaders.

2. Do not confront the accused until the safety of the child(ren) is secured.

3. Any ministry Leader who becomes aware of any such injury, abuse, or molestation connected with any ministry activity will immediately inform the overseeing Pastor/Elder of such injury, abuse, or molestation, and will complete an Accident/Injury Report.

4. Any Ministry Leader, who becomes aware of a possible abuse or molestation of a participant, will ensure that the participant’s parent or guardian is immediately informed that possible abuse or molestation has occurred. The overseeing Pastor/Elder will see that an attorney is promptly contacted to provide a written opinion as to whether the organization should report the abuse or molestation to law enforcement authorities. The written opinion should be obtained within 24 hours from when the ministry leader first became aware of the abuse or molestation, and the attorney’s advice should be followed. If the attorney recommends that an incident be reported, the advice should be acted upon immediately.

5. Upon notice of abuse or molestation, the ministry’s insurance carrier, (general or professional liability insurance) must be promptly notified, as well as any organizational entity (e.g. denominational office) to whom the organization has a duty to report such allegations.

*Note: Reporting abuse can precipitate severe consequences to a family, so it should never be done casually or thoughtlessly, and certainly not for malicious purposes. At the same time, failing to report abuse can have severe consequences to a child at risk as well as to a mandated reporter who fails to act on their knowledge of abuse. Therefore, if you have a reasonable cause to suspect abuse, you should talk with an appropriate person to see what steps could and should be taken to protect the child and help the family. When time and circumstances permit, talk first with a Pastor/Elder, who will help you to decide what steps are appropriate and, if necessary, who else to contact.*

**Admonishing and Reporting Inappropriate Behavior**

1. If you observe a Children’s Ministry worker (or another member of the church) talking or acting in a manner that seems to be innocent but might appear to others to be inappropriate, you should privately admonish that person and encourage him or her to exercise greater care in words and actions (see Matt. 18:15).

2. If you observe a Children’s Ministry worker (or another member of the church) talking or acting in a manner that gives rise to a reasonable suspicion of improper involvement with a child, or the potential for improper involvement with a child, you should promptly report your concern to the Ministry Leader or to a pastor or elder, who will look into the matter and take appropriate corrective measures.

3. Behaviors to watch for in adults working with children:
   a. Inappropriate comments about sexual matters, especially about or in the presence of children
   b. Use of pornography, including inclination toward sexually explicit television shows, movies, books, or magazines.
   c. Excessive and inappropriate attention to a particular child, especially if it involves an effort to be alone with the child.
Violation of Policy or Procedures

1. Workers must promptly notify their coordinator/director of any activity undertaken on their own behalf or by others, which violates this policy or procedures.

2. When a Ministry Leader becomes aware of a violation of the policy or procedures, that leader will take all necessary steps to ensure future compliance with the policy and procedures by all workers, and will remove workers from their position if such removal is warranted, or if the worker poses a potential threat to others.

If an Allegation Occurs

An accusation of child abuse may occur in any church. Wrong reactions can multiply the pain and liability in an abuse case.

1. Document all efforts in handling the incident (be as specific as possible).
2. The overseeing Pastor/Elder will be responsible for reporting the incident to the proper civil authorities, the church’s insurance, and attorney, as well as notifying the parents of the child.
3. The accused should not be confronted until the safety of the child(ren) is secured.
4. All allegations will be taken seriously and the appropriate support and resources will be extended to the victim and the victim’s family.
5. The accused will be treated with dignity and support, but will be removed from his/her duties until the investigation is finished.

Internal Investigation

1. Any allegations of abuse or molestation will be taken seriously and will be investigated by Ministry Leaders.
2. Any volunteer worker who is the subject of the investigation will be removed from their position pending completion of the investigation.
3. Any person who is not found innocent of alleged abuse or molestation will be removed from work with children, youth, the disabled, or elderly within the organization. The church will consult with legal counsel for further advice.

Dealing with Law Enforcement/Media

1. All Ministry Leaders, employees, and volunteers will cooperate fully with any law enforcement or governmental agencies that may be investigating allegations of injury, abuse, or molestation in connection with activities of the organization.
2. Legal counsel will be contacted for advice and guidance as soon as possible after the organization receives notice of possible abuse or molestation in connection with organization activities. Decisions concerning the ministry’s response to the allegations will be made in accordance with such advice.
3. The overseeing Pastor/Elder of that particular ministry will be designated as the single spokesperson following notice of any abuse or molestation in connection with activities of that ministry. This spokesperson will be the only person to convey the information concerning the situation and (to avoid compromising any ongoing investigation) will convey only such information as is necessary under the circumstances.
