

About Grace Church's Community Groups:

Getting connected at [Grace Church](#) involves participation in both the Sunday morning Gatherings and a Community Group. Sunday Gatherings are a time for worshipful celebration together, hearing the preaching of the Word, imparting the vision of Grace Church, and sharing in Communion. Whereas, [Community Groups](#) are the primary way we, disciple one another, connect with one another, and live out the mission of Grace Church.

We will scatter throughout the greater Dunedin area in Community Groups which will meet inside homes and places for public gathering in order to help, encourage, and strengthen one another in the faith, and practice being sent people together. These smaller groups of people (5-20) provide an opportunity to know others and be known within the Grace Church community.

Each Community Group will meet regularly to eat, learn, pray and be together on mission, living out the Gospel in real and tangible expressions. Being a community-driven people means walking through life together, helping one another become fully-devoted followers of Jesus.

It is our desire that everyone, who calls Grace Church their home, would agree to live by our Community Commitments and be an active member in one of our Community Groups.

Our Community Groups will **begin in January, 2012**. For more info contact [Steve Lee](#).

When & Where and How to Sign Up?

We will have four groups beginning in January, and more groups will be added in the spring. You will see the groups listed on the next page with their location, January meeting dates, and an email address to the Community Group Leader. Please email the Community Group Leader of the group you (and your family) are planning to attend and inform them that you are coming.

In the future, the discussion topics for the Community Groups will be based upon the sermons. However, since we have not heard any Grace Church sermons yet, the January Community Groups will be discussing the meaning and importance of Christian community and fellowship. Click [HERE](#) for the Community Group Discussion Sheets.

Please sign up for one of the following groups by emailing the Community Group Leader:
