December 2016

*Serving the Lord as Dorm Parents in Indonesia through Mission Aviation Fellowship*

It's hard to believe we've only been in America since June! We've traveled from coast to coast, and it's been a wonderful, exhausting and memorable journey as we've visited friends, family and supporters across the country! We ate more home-cooked meals and took more selfies and group photos in the past 4 months than our entire lifespan preceding them! Thank you so much for your generosity and opening your homes and hearts to our family!

We have so much to be thankful for in this season of our lives. First and foremost, we're thankful for a loving God who cares about each of us individually, and who made the sacrifice for us to be reunited with Him (*despite our sin*). Secondly, we're thankful for Mission Aviation Fellowship and the opportunity they've provided us with to serve as Dorm Parents, loving the missionary kids in Indonesia. Finally, we are thankful for family – both immediate and extended. May we never take for granted the relationships He's provided us.

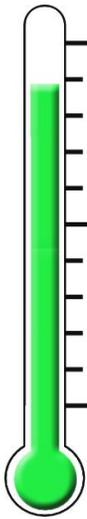

As we write this we're filled with mixed emotions. We just recently found out we need to return to Indonesia on December 8th (*instead of the 26th*) to ensure our visas and work permits are renewed on time. While we're thrilled to return in time for second semester, we're sad that we don't get to spend Christmas with the Mills in Tulsa as we'd hoped.

We're also thankful that we're at almost 90% of our fundraising goal! That's just amazing! Yet we're also anxious to make up the extra 10% necessary to remain on the field. Would you please join us in prayer for the Lord to move in the hearts of the people we've connected with these past few months? We have complete faith that He will provide!

Merry Christmas! Kevin & Kim

WE ONLY NEED 12 MORE PARTNERS TO REACH 100%!

100% Praise the Lord! We're at almost 90%  
90% of our monthly support goal!  
80% Considering our short window of  
70% fundraising, this is just incredible!  
60% Thank you so much for your love and  
50% support! If you haven't joined us yet  
40% and want to help fill the remaining  
30% 10%, we could sure use your help! We  
20% only need 12 more people who want  
10% to have a positive impact on these  
0% kids, believes in our ministry and  
desires to be an integral part of it.

Will you be one of them?

**Will you consider supporting our ministry? We still need:**

I love you guys so much! You have been the biggest influence in my life so far and I seriously think it was a miracle you were sent here. Aunt Kim & Uncle Kevin, you don't even know how much you guys have blessed us. It's not like home without you. I pray for you every day. Come back soon!
