

Corey's Testimony

Life began for me in utter chaos with both my parents beating each other repeatedly. Eight years old and I was sexually molested by a male family member. At age 14, I began to try to mask that pain with alcohol and drugs. As my addictions grew, the pain increased. By age 27, I had lost everything; a job, a marriage, a house, and custody of my youngest child. All I had left were more lies from the enemy and my own self pity. When I was completely at my bottom, I felt the hand of God reach down and pick me up and dust me off and I truly knew that I had met Jesus. A year later, I devoted myself to a 13 month discipleship ministry where through God's Word and Jesus' example I began to be transformed. And with faith and obedience came restoration. God is the restorer of all things. It says it in His word. I know this because I am living proof. God has restored me, not only in my physical being but in my spiritual being. God has restored my home, my family and my marriage. God has blessed me with more than I could ever dream and I praise Him everyday. Who I thought I was, I am no longer. I am God's son and through His amazing Grace, I have been saved. Thank you Jesus, I love you.
