

**Introducing: Ron Blomberg
MLP Advisor**

Grace Community Church of Seal Beach is happy to introduce Ron Blomberg as your planning and information resource at Grace.

Ron Blomberg is a 1978 graduate of Bethel University with an M. Div. degree and a graduate of a certificate program in Charitable Planning at California State University, Long Beach.

Ron has pastored churches for 24 years. For the past 18 years, Ron has worked at Biola University as the Senior Director of Charitable Planning.

He and his wife Cyndi (a registered nurse) are parents of four adult children and grandparents of eight.

For the past ten years, Ron has worked with churches and individuals of all ages, helping them to facilitate their charitable planning. It may concern an individual looking for some advice on financial planning. A young family may need some assistance for putting together a financial plan, a will or trust, to ensure their kids are covered. Older folks are looking to re-evaluate their ideas for retirement and estate planning. Whatever your situation, Ron Blomberg can help provide the help and direction for which you may be searching.

The "My Legacy Planner" (MLP) is a completely confidential site for your own personal use; no personal information is visible to anyone at Grace. Once you complete the MLP and find the results interesting, you may still be looking for more information and guidance. Ron is your contact. If you are unsure about the MLP, Ron can still help you. Ron is sponsored by Grace, so there is no cost to you for contacting him.

If you have any financial planning questions, please contact Ron at:
