

Willard & Kay Jones are our Fully Alive 55+ leaders. They recently celebrated their 50th wedding anniversary. They have 3 grown sons that are married and together have given Willard & Kay 7 wonderful grandchildren. Willard & Kay are retired and having the time of their lives! They like to spend their time with family, friends, traveling, reading, puzzling, and piddling. Willard & Kay came to us because they felt the Lord's call for them was to use their time and spiritual gifts in an adult ministry.
