Family income includes that of the student’s parent(s) or legal guardian(s) living in the same home as the student. If the student’s parents/legal guardians are married their income is reduced by \$7,000 when determining income eligibility. Family size includes parents/legal guardians and their children by birth, marriage or adoption living with the student.
2. **Residency** – Student’s primary residence must be in the city of Milwaukee.

Seats are limited. Please apply during the **February application period to ensure your child will retain his or her current seat.
