Dear Parent or Guardian:

Grace Lutheran Church and School is excited to again offer its Summer Sizzlers Program. All the forms for registration, field trip, scheduling and t-shirts are enclosed, please take the time to read all the information to ensure that you are aware of how the program will operate. With regard to field trip costs please note:

1. We have tried to keep the costs as low as possible, at the same time we want to ensure that we get the students off site on 3 days of the week whenever possible. The major portion of most of the field trip fees continues to be the bus costs. Private vehicles will be used as much as possible to keep cost down; however, in the event that our numbers warrant a bus, we may have to collect an extra bus fee after a field trip. We will definitely be taking a bus to locations that are out of town. We have noted on the sign up form if you need to provide a lunch or if lunch is part of the field trip.
2. Krueger's Entertainment Center is graciously allowing us to participate in the Kids Bowl Free program this summer. This allows us to enjoy bowling and pizza for \$9. Please see attached sheet for details on how to sign up.

We do realize that summer care for your children is always a financial burden and assure you that we have tried, in our planning, to limit field trip costs. However, we also want to ensure that the children who are with us for the summer have an enjoyable time and experience activities that take them away from the school environment that they are in for the school year.

VBS (Vacation Bible School) will again be held at church, on Cross View Way. Children that are signed up for ECP the week of VBS, MUST be signed up for VBS. This needs to be done through the church office. Extended Care does not staff during VBS hours. If you are signed up to be billed for the daily rate, you will be charged for half days during this week. Children can be dropped off in the Commons anytime after 7:00am. We will then pick up your children after VBS is over, and transport them back to school for the afternoon, if you are not picking them up right after VBS.

We hope that the enclosed helps with your plans for June, July and August. Any questions please call us at school 262-251 7140 ext. 109.

In His service,

Tammy Breckenfelder
Program Coordinator

Heidi Miller
Administrative Assistant
