* Every 1st year student will need to order their own Lutheran Study Bible as part of the confirmation fees. This Bible is to be brought to class every single day. Should you lose your Bible, you are responsible to purchase a new one for class. Please be sure to write your name on all material in case you would lose it.

** This is a fee that is assessed each year for the normal materials that are used on a weekly basis purchased over the course of that year.

*** This is a third year only fee for everything from robes to the retreat cost and a group picture. This does not include the individual pictures that are taken for confirmation day.
