

Grace Lutheran School

Note from Mrs. Erdmann:

Dear Grace Lutheran School Families,

I cannot believe it is already the middle of September. How time flies!

Our school is humming along nicely; it is wonderful to walk the halls and visit classrooms and see science experiments, proof pictures of math problems, and project based learning! I hear students having high level academic conversations, and see them developing their skills in communication and collaboration. It is a great blessing!

We are blessed to have many parents who volunteered to help in our school. Thank you! If you signed up to volunteer, we will be contacting you shortly, either by a teacher or our office staff. We look forward to having you!

Due to receiving some professional development from a nationally known math specialist, our teachers have been transforming their math instruction to be more conceptual and teach our students to have strong mathematical procedural intuition. Because we understand that this may look different to our families, we will be hosting a Math Education Night in the future. Please stay tuned!

As always, I feel blessed to serve as Principal. Thank you for your investment in Grace.

Grace Golf Outing

Last Saturday Grace Lutheran School hosted its seventh annual golf outing at Scenic View Country Club in Slinger. The golf portion sold out for the first time ever with 149 golfers! In addition, there were over 170 people in attendance for the dinner and large silent auction after golf. Thanks to an amazing turnout, the outing raised over \$23,000! A BIG thank you to the organizers and volunteers that made the event so successful! We are looking forward to an even bigger and better outing next year!

Mission Trip

The 2017 Christ's Crew Mission group is very excited as they are preparing for their mission trip the week of October 8-13, 2017. This year's group consists of 26 students and 5 chaperones. The 8th grade trip to St. Louis this year consists of working with our friends at Love The Lou and through the ministries at High Hill Christian Camp. In both these ministries, students will be sharing their faith with others in various forms - working with some inner city projects, as well as connecting with other congregations through High Hill Christian Camp. Not only is this group hard at work fundraising for this trip, but they are also digging deep into their own personal faith journey, so that their faith can shine for others to see.

Order a "Prayer Squad" shirt to support the Christ Crew Missions

Purchase a shirt to help support (financially and through prayer) the 8th grade mission trip. With each shirt, those that purchase one will receive a bio of one of the 8th grade students. The idea of the prayer squad is to not only pray and support the entire group, but to specifically pray for one student during the trip. These students are excited to share in their experiences when we get back! Orders are due by Sept 18.
