Heidi Miller, Administrative Assistant

Notes from the Director

It's hard to believe another summer is over. We had a wonderful time at Summer Sizzlers and have enjoyed watching the children grow emotionally and spiritually.

This summer certainly sizzled as the temperatures stayed high. We kept cool with swimming and water games. We were busy this summer with fun field trips and on campus activities. I have included pictures of some of our summer fun.

We appreciate the feedback and co-operation you have given us. Please feel free to contact Tammy or me with any questions, concerns or feedback you have.
