

### **Grades 1-4 student school supplies for 2016-17**

- pencils, pencils, pencils (No mechanical pencils!!! I like the idea, but the kids spend too much time messing with them.)
- eraser
- bottled glue, like Elmers school glue
- glue sticks, 3-6
- no crayons (I found new boxes of them in storage so I'll give each student a box : )
- colored pencils, optional
- scissors
- highlighter
- 3 plastic/vinyl folders, not just heavy paper — Please use good judgement in choosing ones that are appropriate for a Christian day school. They do not need to hold notebook paper.
- 2 non-refrigerated main course options. These will be used when anyone forgets his/her lunch. Please remember we're nut free.
- school box to help organize the above
- 1 pack of 100 paper plates
- 2 boxes of kleenex
- backpack

### **At home school box for homework**

Please keep these things together in a school box at home to facilitate getting homework done. There will be math for everyone and 1st and 2nd grade spelling homework regularly.

- pencils (no pens or markers for school work : )
- crayons
- ruler at home with inches and cm for Grades 2-4
