FALL 2017 CONNECTION GROUPS

Freedom Groups: Living in Freedom Everyday

Description: God wants a relationship with you, and He sent His son, Jesus, to bridge the gap between earth and heaven so you could know Him. It may not be easy, but it's rewarding! During this semester, you will be the one who decides how far you are willing to go to find Freedom. Here is a promise from Jeremiah 29:13, "If you seek Him with your whole heart, you will find Him." Freedom Groups are unique, intensive small groups where attendance is required for all 13 weeks. There is also approximately 1 hour of homework per week. If you sign up, please make sure you are available for all dates. There will also be a retreat at the end of the semester which is also required to be a part of the group. Dates for the retreat will be provided when available. While the commitment seems steep, the rewards will be great. Freedom Groups help us to find freedom from those things in our past that keep us from a closer, more intimate relationship with God. This group will change your perspective on God and your walk with Him.
