INDEPENDENT AUDITORS' REPORT

Board of Directors
Eurasian Missions
Elmhurst, Illinois

We have audited the accompanying statements of financial position of Eurasian Missions as of December 31, 2010 and 2009, and the related statements of activities, cash flows and functional expenses for the years then ended. These financial statements are the responsibility of the organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Eurasian Missions as of December 31, 2010 and 2009, and the changes in its net assets and cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

EURASIAN MISSIONS

Notes to Financial Statements
December 31, 2010 and 2009

1. NATURE OF ORGANIZATION:

Eurasian Missions (EM) is an Illinois nonprofit corporation dedicated to spreading the Gospel through developing and maintaining Christian programs designed to facilitate spiritual and material support of churches throughout the continent generally described as Eurasia. EM was established in October 2003. Members of EM are all churches that participate in the fellowship of the Churches of Christ, subscribe to its Statement of Faith set forth in the bylaws of EM and have a desire to support missions throughout Eurasia.

EM has received a favorable determination letter from the Internal Revenue Service stating that it is exempt from income tax under Section 501(a) of the U.S. Internal Revenue Code (Code) as an organization described in Section 501(c)(3), and contributions to EM are tax deductible within the limitations prescribed by the Code. EM is not a private foundation as defined by the Code.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The financial statements of EM are prepared on the accrual basis of accounting. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts and disclosures. Accordingly, actual results could differ from these estimates. The significant accounting policies followed are described below.

CASH AND CASH EQUIVALENTS

Cash and cash equivalents include checking and other depository accounts with maturities of less than one year. From time to time, these accounts may exceed federally insured limits; however, EM has not experienced any losses on these accounts as a result and does not feel it is subject to credit risk related to these accounts.

GRANTS RECEIVABLE

Unconditional promises to give to EM are recognized as income and grants receivable when made and recorded at fair value based upon estimated future cash flows. Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discounts on those amounts are computed using risk free interest rates applicable to the years in which the promises are received. This discount rate is based on yields of the various U.S. Treasury Bills corresponding to the timing of the promise to give. Amortization of the discounts is included in support and revenue (see Note 3).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

CLASSES OF NET ASSETS

The financial statements report amounts separately by classes of net assets:

Unrestricted net assets are those available at the discretion of the Board to be used to further the exempt purposes of EM.

Temporarily restricted net assets include amounts for which timing restrictions related to contributions receivable have not been met.

REVENUES AND EXPENSES

Contributions are recognized when made. Gifts of cash and other assets are reported as restricted support if they are received with donor stipulations that limit the use of the cash or donated assets.

CONTRIBUTED SERVICES

A substantial number of unpaid volunteers have made significant contributions of their time to EM. These volunteers have a significant impact on making the ministry effective. The value of these contributed services is not reflected in the financial statements because they do not meet the definition of donated services required to be recorded.

UNCERTAIN TAX POSITIONS

The financial statement effects of a tax position taken or expected to be taken are recognized in the financial statements when it is more likely than not, based on the technical merits, that the position will be sustained upon examination. Interest and penalties, if any, are included in expenses in the statements of activities. As of December 31, 2010, EM had no uncertain tax positions that qualify for recognition or disclosure in the financial statements.

3. GRANTS RECEIVABLE:

During 2007, EM received the Mission Plan of the Moscow Group of Churches Grant for a three-year period. EM received \$302,619 during the period beginning July 1, 2007, and ending June 30, 2010. The final grant disbursement was received during 2010.
