

Cleanliness & Bathroom Policies

Room Clean-up Procedures

At the end of each service the classroom teachers:

- Wash and Bleach all toys that have been put into mouths
- Bleach large toys, climbing areas and tables
- Bleach the toilet and sink in the bathroom

Diapering Procedures

Please make sure that your child has been changed before entering the classroom. Children will be changed when necessary. Teachers wear gloves while changing your child. After each diaper change, the changing table is cleaned with bleach and teachers wash their hands. If you are able, please provide diapers and wipes.

Restroom Procedures and Potty Training

Please make sure that your child has used the restroom before entering the classroom. If your child needs to use the restroom while in class they will use the bathrooms in between our children's classrooms. Workers will only enter the restroom to assist a child when absolutely necessary. If your child is potty training please send your child with a change of clothes.
