

# ON THE MOVE

FOLLOWING GOD'S LEAD EVERY STEP OF THE WAY

## Note from Pastor Doug...

There are times as I'm walking through the new facility that I catch myself. Granted, it is not much more than a series of connected warehouses right now. But still, I can be coming around a corner, or pacing off a certain area, and suddenly it strikes me again. This is where God's family at GVC will soon worship!

These are exciting days. With keys in hand, and final adjustments being made to the architectural design, we are ready to witness God's dream for GVC's next home become a reality.

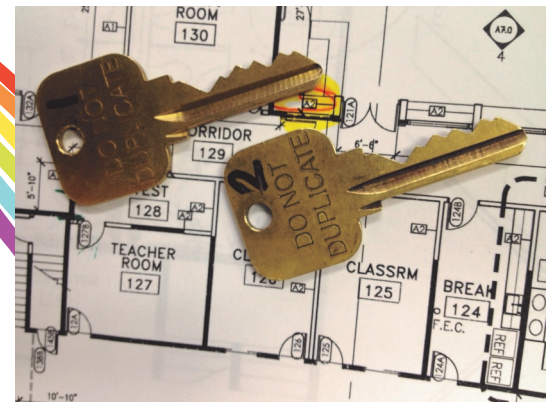

I want you to know how proud I am of our staff and elder board. They have been working tirelessly to make every exact detail count. Revisions have been made again and again. Today we feel we have a building that will facilitate our mission at a much greater level.

Here are a few of the things that have surprised me as I've had a chance to spend some time at our new site.

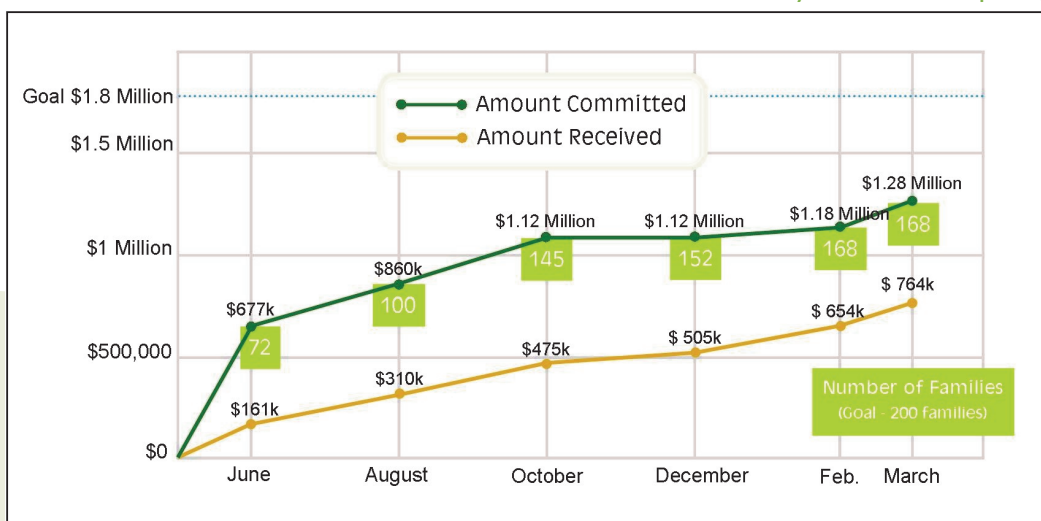

- The parking lot feels very secluded. We are above the traffic of Camino del Norte and it almost has a park-like feel.
- The lobby is going to be hopping. Modeled after the buzz of our current lobby, the new one is in the center of our building and will really be the hub of all our ministries. It will foster significant conversations and unhurried relationships.
- The youth area is large! I am convinced our Jr. High and High school students will love the feel of it too.
- The children's area will be inviting and safe. I appreciate the new check-in system as well as the bright spacious environments. Most of the classrooms will have sunny windows. It will also allow easy parent access.
- It seems strategically placed. In the midst of one of the travelled areas (Carmel Mountain Ranch shopping center), we will be poised to be an integral part of the community as we pursue our mission.

...And I can't wait to discover God's further surprises along the way.

Many of you have been a big part of making this a reality. As we move closer to opening our doors, your gifts mean more than ever.

## God's faithfulness has been demonstrated by the campaign's progress so far...

It's been the desire from the beginning for the "On the Move" campaign to be accomplished through a heart of generosity and we have been awed by the response. The campaign is in full swing for the funding, and we'd love to invite you to join us and participate. As we get closer to our move-in date there will be other opportunities for people to give of their time and talents. By investing ourselves, we'll share in the vision for our new church home and draw closer to each other and the Lord.

1

### You can't out give God.

- Blessing come from giving.
- God actually challenges us to test Him and see. - Malachi 3:10

2

### When you give, it is not gone. It's stored up for later.

- You can't take anything with you when you die.
- But you can store up treasure in heaven to await you. - Matthew 6:19-20

3

### You are most like God when you give.

- Selfishness is the opposite of godliness.
- Generosity is godliness. - Proverbs 19:17

4

### You're a steward, not an owner.

- Everything comes from God. It is not yours - 1 Chronicles 29:14, 16
- Every spending decision is a spiritual decision.

5

### Your heart follows your treasure. - Matthew 6:21

- You can't help but care about the things you spend money on.
- Be careful that your stuff doesn't own you. (Tip: Be generous to avoid this.)

b

### Giving is a testimony that:

- You believe everything belongs to God.
- Your priorities are for the things of God.
- You trust God to meet your needs.

The design team and staff have been diligently planning...

## INVENTORY

It's important to take inventory on what God has blessed you with. If you aren't keeping track of His blessings, how will you know what you are able to give to others? A daily acknowledgment of our gifts

keeps us from complaining or feeling like we need more in order to be generous.

**Challenge yourself to start each day thanking God for everything He has given you.**

*Psalm 100:4-5 -*

*Enter His gates with thanksgiving and His courts with praise. Give thanks to Him, bless His name. For the Lord is Good: His loving kindness is everlasting and His faithfulness to all generations.*

In November of 2011, right after we first learned of our need to move, we established an intercessory prayer team. This team of individuals committed to bring the move and campaign to Him in prayer daily. We have deeply appreciated the prayer partnership of this team. If you would like to join with this team in prayer, we'd love to have you participate with us! Please send us an email to [OnTheMove@greenvalleychurch.com](mailto:OnTheMove@greenvalleychurch.com) with "Intercessory Sign Up" in the subject line. We thank you in advance for your prayer support!
