

Dear Parents,

We are delighted that you have chosen the Gulf Shores United Methodist Church's Mother's Day Out ministry for the nurture of your child. It is our privilege to partner with you in this most important stage of your child's growth. All of these precious children are a tremendous blessing to us, and we are thankful for their presence here.

Our director, Lana Crawford, does an outstanding job in guiding this ministry. Lana's main concern is always the well-being of your child. We also celebrate the care and concern of each teacher. They too do a superb job of fostering a loving and nurturing environment for each child.

It is a great pleasure for the Gulf Shores United Methodist congregation to provide the Mother's Day Out and Preschool program for the families of the Gulf coast area. Please know that our doors are always open to you for worship, fellowship, study, and service. Any way we can be of service to you and your family, please do not hesitate to call on us.

God's Blessings Upon You,

Rev. Glenn Butler
