Theo@9 Classes:

Prayer: What IS prayer? We know it is vital to the Christian life so why do we often fail to pray? What does it mean to pray without ceasing? Since God is sovereign and it is certain His plans are never thwarted, why should we bother to pray? In this 13 week in-house study we will address these questions and more. If you admit your prayer life could be richer and more consistent this class is for you. Be prepared, for significant class time will be spent—praying! This class is led by Pastor Joel.

Evangelism: 13 week study about one of the main purposes of our life – to proclaim the Gospel of Jesus Christ. Our goal will be to equip you, encourage you and exhort you to be disciple-makers. This course is not designed for experts or professional evangelists...this course is designed for people who want to, by the grace of God, learn how to better tell others about the Savior who came to rescue sinners from the wrath of God. This course is intended to be put into practice. Evangelism has to do with real people who need a real Savior. This class is led by Barry Taylor.

Marriage: Many of our marriages are missing God at the center. Even as Christians, we sadly live atheist marriages—marriages that are devoid of God and his Word. Sure we go to church. Sure many of us try to do personal Bible reading. Sure we want to be more faithful. Yet, in reality, many of us don't often enough put God and his Word at the center of our marital relationships. We'll study the biblical theology of marriage and how the gospel transforms our life together; as well as deals with

conflict, communication, sexuality, children, money and divorce in this 13 week course. This class is led by David Walker.
