

THE HARVEST CHRISTIAN FELLOWSHIP YOUTH MINISTRY

ADULT 'YOUTH WORKER' COVENANT

Believing that this youth ministry is exactly that, a ministry to the youth of this church and community for the glory of God; and that I am myself an influence and witness to these youth through my involvement in this ministry, I agree and commit to the following standards:

- I will at all times and in all circumstances provide a Christ-like example in my mindset, attitude, speech, and conduct
- I will make decisions, show leadership, and provide care for these youth which assures and protects their spiritual, physical, and emotional safety and well-being
- I will prepare and participate appropriately in the activities related to the event and/or area that I am associated with, and encourage and insist that the youth do the same
- I will consult the Youth Pastor / HCF's designated Youth Ministry Leader concerning discipline issues, ministry needs, or any other areas of significance regarding a youth so that that youth may be attended to and accounted for appropriately
