to keep you informed of events happening within the life of our church. Once you have filled out this card you can put it into the 'Response card' box on the information table or alternatively you can fill it out online on the 'Contact us' page of our website:

Harvest Kids

**HK kicked off with a bang on
 Sunday 31st Jan!**

We endeavour to create a child safe environment at our HLCC children programs. Parents please note our new care hand over procedure for 2010—instead of signing your children in & out each week, a name card will be made for each child with a photo of their parents/guardian's on the reverse side. This will not only help us to make sure each child is released into the care of an authorised adult but it will also help us to learn your names & which child is yours.

Please be patient with us over the next few weeks as we implement this new procedure & ask to take your photo! Or you could email a family picture to: harvestkids.lol@gmail.com

Harvest Toddlers

Harvest Toddlers is for children aged between 2—5 yrs. It is on after the worship service when it's announced that it is time for the children's programs to start. Please sign your kids in which is located in the kitchen, before dropping them off at the toddlers room.
 Please remember to pick up your children as soon as the service is finished.

Harvest Missions

Check out our updated missions board on the back wall

Listed here are the main ministries of our missions thrust. Every \$ that you give has a percentage sown into our mission endeavours. Thank you for your consistent & generous giving.

Currently we support these ministries:

• ***Ps Barry & Linda Wedrat—Activate Europe***

- Church planting & training endeavours in Eastern Europe
- Ps Ron travelled with Ps Barry in Poland & Slovakia in 2008

• ***Church Planting in Sri Lanka***

- 3 new churches have been planted.
- This is in connection with Ps Barry Wedrat & Ps Peter Patterson from Townsville. These churches are now in their third year of the project & have seen some significant growth of new conversion to Christ.

• ***Australian Christian Churches World Missions***

• ***Emerald Chaplaincy—Scripture Union***

• ***Central AOG District Pastors & Churches***

- Our support extends to Moranbah, south to Springsure, eastward to Blackwater, west to Longreach & north to Mt Isa & Normanton. We currently have 15 churches in this vast area.

• ***Australian Indigenous Ministry***

- One off offerings are given into specific needs & endeavours across QLD & NT.

• ***Alex & Pauline Alcorn***

- This precious couple, now well advanced in years, dedicated years of their lives to the pioneering & support efforts to all of our churches in the late 70's to early 90's. They have travelled every white line & lived with very little for the cause of establishing these churches throughout Central & Western Qld.

Harvest Offerings

We have for many years provided the opportunity for every person to give towards something great regarding Kingdom Expansion.

**Two Sunday's per year are set aside for "Miracle Offerings;"
14th March & 29th August 2010**

Although these are set dates where a miracle offering is taken we will also incorporate the great faith concept of believing for 100 miracles! Each miracle is \$1000. Some may desire to create 20, others 5 or 10—while others may like to join with friends & together be involved in 1 miracle., together be involved in a magnificent miracle of provision for the expansion of the local church & its vision. Also, we would be happy to receive your offering of any amount you feel to give.

These miracles will help us raise \$100,000 for the expansion of facility, city impact, mission endeavours & to help us to engage our community for God.

Why not begin today—some like to sow this seed on a weekly basis & some give generously on "Miracle Offering Sunday", others have given spontaneously as they have been impacted by the grace of God during the year.

Let's believe together & give together!!

You can give towards the "Miracle Offering" :

By cash on Sundays: please place in a miracle offering envelope

By direct deposit: please put "miracle offering" as a reference

Credit card: please fill out a 100 fold miracle card pictured below
