The purpose of this bible study is to elevate principles and concepts which cause heavenly vision to become a church that is truly pleasing GOD and worthy of a five star designation.

Lesson One: How to Develop a Five Star Church

The five star church is defined as one that goes beyond the status quo of church in every area of ministry. Such a church is not only invaluable to its congregation but to the body of Christ as a whole and the world of which they seek.

A church can not classify itself as five star, however the designation can be thrusted upon them as a result of their productivity in the kingdom of GOD and the world of this age (John13:34,35).

It must be understood that the five star church is not marked by its quantity, popularity or affluence but rather its quality, prominence and influence.

The following are five steps that will foster the development of a 5⭐ church;

★ We must encounter GOD for the sake of transformation (John 4:7-42).

★ Our empowerment must come from our personal experience with GOD’s power (2 Corinthians 13:4).

★ It is our responsibility to empower those around us (Luke 22:23).

★ We should make every effort to encourage the weak (Romans 15:1,2).

★ Excellence must be our default setting in everything we do (1 Corinthians 12:31-13:13).

Should we reach these steps we will arrive at the place where we are living a life that is pleasing to GOD, beneficial to those around us and leaving an indelible mark in the world for the glory of GOD.
