It's Time to Begin

We are praying.
We pledged and are now giving.
We are trusting God to provide.
Now it's time to begin building the new facility. Construction begins in April of this year and is expected to be completed by the spring of 2016. Subcontractors, skilled workmen and general volunteers are needed for a variety of tasks. If you are interested in being a part of this project in either giving a bid or working as a volunteer, please contact Project Manager Frank Wood, 541-504-2841 or frank@imfd.com.
A general information meeting for all workers will be held February 22 immediately following the 11 A.M. worship.
