We will observe the annual day of prayer for the persecuted church next week. Then on Nov. 11, we will watch the movie, "Tortured for Christ", featuring the story of Richard and Sabina Wurmbrand, founders of Voice of the Martyrs. Come and discover how one man's faith was strong enough to endure 14 years, including solitary confinement and unspeakable torture in a Romanian prison. Sunday nights, beginning Nov. 25, we will meet in small group format in fellowship hall to discuss what it truly means to stand for Christ, to evangelize even our "enemies" and to fully forgive and even love those who oppose and oppress us. A participant's guide will accompany the study. (cost TBD)
