

Homebound Ministry

At Highland Terrace Baptist Church, our Homebound Ministry is touching the lives of seniors with kindness, caring and the love of Christ.

Our ministry is designed to keep shut-ins and the sick connected with the church when they are unable to attend our services. This team cares for senior adults who are either in nursing homes, assisted living facilities or their own homes. We provide visits, phone calls, cards, worship services on video cassette or DVD, quarterly learner guides, Open Windows devotionals and Mature Living magazine to encourage this group. Home Ministry volunteers carry out this vital ministry so members will still feel they are a part of HTBC.
