

Nursing Home Ministry

Highland Terrace has been involved in ministering to nursing home and assisted care residents for a number of years. Currently we are working in five different facilities in Greenville.

Each ministry team conducts a Bible study on Sunday mornings complete with singing, sharing, a Bible study lesson, and lots of hugs! These residents look forward to this special time each week and, without exception, our ministry teams end up receiving a blessing as well.

This ministry involves volunteers who can teach, sing, encourage, and make visits during the week. It's a great place to share the love of Christ with those who are often neglected and forgotten.
