Verse 1
It wasn't just another day,
A Savior on a bed of hay,
Born to take our sins away.
It wasn't just another day.

It wasn't just another birth,
God's only Son born here on earth,
To remind us of our worth.
It wasn't just another birth.

Chorus
It was the Father's plan,
Let the good news spread across the land.
This baby born of God and man,
The child that takes our sins away,
It wasn't just another, wasn't just another day.

Verse 2
It wasn't just another night,
When shepherds saw the angel's light.
They rejoiced at such a sight.
It wasn't just another night.

It wasn't just another love,
Like many songs have spoken of.
From the heart of God above,
This wasn't just another love.

Chorus
It was the Father's plan,
Let the good news spread across the land.
This baby born of God and man,
The child that takes our sins away,
It wasn't just another, wasn't just another day.
Bridge
It wasn't just another day;
It changed the world in every way.
How can anybody say,
That it was just another day?

Chorus
It was the Father's plan,
Let the good news spread across the land.
This baby born of God and man,
The child that takes our sins away,
It wasn't just another, wasn't just another day.
It wasn't just another, wasn't just another day.
