BUILDINGS & GROUNDS Phil Wilkins

- Requested that anytime the building is being modified or needs something, to let him know about it. For example, Phil was not notified that the baptistry had no water.
- Please notify Phil any time you need to schedule an event at the building.
- Doors leading into the basement have been worked on. It was suggested that we need heavy duty closures. Rather than invest a considerable amount of money into repairing the doors, Phil is looking into replacing them.
- Condensation line for the Apartment got stopped up and flooded the library and adjacent room.

BUDGET & FINANCIAL REPORT Lonnie Trent and Rob Catron

- Finances continue to be sound.

COMMUNICATIONS Travis Flora

- Much of our Communications focus has been through Social Media, because of the low cost involved.
- Our first tshirt orders featuring our new logo was completed and was a great success! We're seeing the shirts all over, which is what we want.
- We are working on our next "merchandise" order. We are currently getting pricing and samples for baseball caps and visors. We are also considering an order for hoodies and pullovers for the fall. Feel free to let Travis know your thoughts on this idea and give suggestions for other items.
- Researching vehicle window clings featuring our church logo and name.
- Working with Melissa Harrod to do a "bulletin board makeover." Please see Travis or Melissa if you are interested in volunteering to help with this project.
- We have added several items to our church library. Many of these items were purchased after receiving a request from a church member. The purpose of the church library is to help us learn and grow in our relationship with Christ, so if there is a book or other media item you would like, please give your request to Travis or Jeannie LeBeau. A reminder that the library is open 30 minutes before services on Sunday mornings and Wednesday evenings.
- Members are encouraged to "Like" us on Facebook, and also feel free to post comments on this site. It's for all of us!
- We are researching a Mobile App, with the intention of launching this in 2013.
- We are working with Sarah and Alyssa Anderson on a series of Twitter posts that will follow various themes throughout the remainder of the year. You can follow us on Twitter. Look for "hollyhillcoc."
- A reminder: If you have an event coming up at the building (movie night, Bible study, etc.) please let Travis know so he can announce it through our Social Media and also coordinate with Barbara Sudduth to make the announcement to our email list.

EDUCATION Bob Tankersley

- Efforts to more consistently start services on time are showing success.
- Bob is working to have the monthly duty roster mailed out to a wider distribution list. Clark Galloway creates this list. It is currently uploaded to the website and Barbara Sudduth uses it to create the weekly bulletin.

TECHNOLOGY Glenn Anderson

- Additional people have been trained on operating the Audio/Visual (Powerpoint). Additional volunteers are needed. If you are interested, please contact Glenn.
- Glenn is working with our sound contractor to have a new hearing assistance system installed.
- Rob Catron updated the wireless network (wifi) throughout the building.

VISITATION Bob Gentry

- Bob is learning the position and evaluating the current program as well as assessing ways to increase the program's effectiveness. Bob is open to suggestions!
- The monthly We Care Wednesdays are continuing. Several members meet to pray for those in need and send cards to those needing encouragement.

Deacons likewise must be dignified, not double-tongued, not addicted to much wine, not greedy for dishonest gain. They must hold the mystery of the faith with a clear conscience. And let them also be tested first; then let them serve as deacons if they prove themselves blameless. Their wives likewise must be dignified, not slanderers, but sober-minded, faithful in all things. Let deacons each be the husband of one wife, managing their children and their own households well. For those who serve well as deacons gain a good standing for themselves and also great confidence in the faith that is in Christ Jesus.

(1 Timothy 3:8-13 ESV)

HELPING HANDS Todd Best

- Cindy Shemwell's project is complete.
- Joyce Ferrell was moved into her new home on August 4. There were 16 volunteers from Holly Hill who assisted with the move, and more who offered. Thanks!
- A church member has submitted a list to Todd for home improvements.
- Todd has created an "application" form that people can use to fill out for work requests.
- Volunteers are needed to assist with Helping Hands projects. If you're interested, see Todd. He'll be glad to find something for you to do!

MISSIONS & BENEVOLENCE Greg Pauley

- David Rogers will be giving a presentation in August on our work in Honduras.
- Budgeted contributions to our various mission and benevolent works was made. Greg is in regular communication with these groups to keep informed of their ongoing needs and work.
- As-needed requests for assistance were evaluated and offered

YOUTH Gregg Stratton

- Vacation Bible School went well.
- The Vacation Bible School at Owingsville Church of Christ was a success. Our youth did a tremendous job.
- Clay Leonard, our summer intern, did a fantastic job and was kept extremely busy with various projects, including teaching, preaching, song leading, preparing for Vacation Bible School, leading youth devotions, and writing curriculum for upcoming classes.
- Our youth were extremely busy over the summer. Besides VBS, they were also very involved in various Bible camps and also with the Summer Youth Series that was hosted weekly by area congregations.

Welcome to our newest deacon, **Bob Gentry**

Bob is now the Deacon responsible for the Visitation program.

Bob and his wife, Sue, are a wonderful blessing to the Holly Hill family. Let's support them as they strive to serve this congregation.
