ON-LINE APPLICATION
Prepare your preliminary work off-line in a word-processing program such as MS Word (abstract, objective(s), statement that describes your knowledge and expertise on this topic area as “educational activity faculty/content specialist’). It may then be copied and pasted into the online form, found at http://content.wellspan.org/nursingresearchday/
You will have two hours to complete the form. Be sure to allot enough time to complete your application at one sitting.

Deadline for All Submissions: January 7, 2014
