

Statement of Core Values

Church of the Lutheran Brethren

The Bible is central in our congregations and in our households.

The Word of God is the focus of our worship services, the textbook for our teaching ministries, and the foundation of our daily lives. Whether we are preaching, teaching, singing or just talking, we want to be people of the Word.

The Gospel is our treasure and our joy. We want the Good News of God's grace to us in Jesus Christ to be the centerpiece of our mission. All people need the Gospel. God's children need to hear it again and again. The Good News is God's power, which saves us, draws us together and motivates us for service.

We revere God's Law. The Law of God cannot save us, but it is necessary for our salvation. We need to see our sin and be driven to the cross of Christ for forgiveness. We need to be reminded that we cannot earn God's love or merit His blessings. We need the ethical guidance that God's Law gives. We dare not make up our own morality.

The Word and the Sacraments are God's precious means of grace.

The Word teaches us, Baptism washes us, and the Lord's Supper nourishes us. In our sacramental life together we are brought again and again to the crucified and risen Jesus Christ, who alone is the source of our salvation.

We cherish the love and fellowship of God's people. We need each other. We need the spiritual gifts, which the Holy Spirit imparts to His people. We experience God's peace as we worship and work together, forgive one another, and bear one another's burdens.

We long for people to trust in Jesus Christ as Savior and Lord, and to come to know Him in a personal way. We are called by the love of Christ to share His Gospel. Our mission is as local as our neighborhood and as universal as the whole world

We seek to be people of prayer.

Whether in public worship, small groups or in our personal lives, we want prayer to be foundational. Prayer supports and propels us in our mission. We desire that prayer be as essential in our ministries as breathing is to our physical life.

New to Hope?

WELCOME!

We are happy that you have joined us today. It's our desire to share with you the peace and hope that is found in our Savior Jesus Christ. Jesus invites us to come and get to know him. He loves us and welcomes us just as we are!

Maybe you are returning to church, or coming to church for the very first time. Whatever your story, we welcome you to come and join us.

May the God of hope fill you with all joy and peace in believing, so that by the power of the Holy Spirit you may abound in hope.

A Place for Fellowship & Friendship

A Place for Service

We believe that each of us has been called by God to uniquely serve him in both our church family and in the world. There are many opportunities available to discover the joy that comes from reaching out to others here at Hope, in our local community and in the world around us.
