

Time to Press In...

The law and the prophets were until John. Since that time the kingdom of God has been preached, and everyone is pressing into it. Luke 16:16

There was an allotted time for the way things were and it was until John. Since then there has been a shift that opens up opportunities and options that were formerly inaccessible. The words to a once popular song ask, “Does anybody know what time it is; does anybody really care?” There is a price for not knowing the time. Jesus wept over Jerusalem because of all places especially this prophetic city should have known this was their day, their time. Their lives revolved around worship and the temple and now the one they longed for walked among them but they did not know the time of their visitation. The greatest shift of the universe was taking place. Two diametrically opposed worlds were colliding. The kingdom of heaven was invading the kingdoms of the earth and they thought it was just another day. Oh God open our eyes to see the things that make for our peace don’t let us miss the time of our visitation.
