

What Did The Son Say

God, who at various times and in various ways spoke in time past to the fathers by the prophets, has in these last days spoken to us by His Son.

Hebrews 1:1

Truth not only originates with God, it always leads to God's conclusions. Scripture is full of "truths" but if any conclusion drawn from them disagrees with the revelation of the Father by the Son they need to be reconsidered. For instance, any assumptions we arrive at through studying the mystery of "Paul's thorn in the flesh" should not contradict the clear revelation that came through the ministry, miracles and messages of Jesus. 1 John 3:8 tells us; *For this purpose the Son of God was manifested, that He might destroy the works of the devil.* Jesus perfectly revealed God's attitude toward all the works of the devil especially sickness. The church that teaches some sickness may be from God or that only Jesus' immediate disciples were commissioned to eradicate it contradicts the testimony of Jesus ministry. Much of the powerlessness in the church can be traced to doctrines that do not agree with what God *has in these last days spoken to us by His Son.*
