

Jesus Has Left the Building and We're Following Him.®

HELPFUL INFORMATION ABOUT OUR NEXT MISSION/OUTREACH PROJECT

Project 1 Green Harvest Food Pantry

25448 Ruff Street, Plainfield, IL NEW LOCATION!

9 am - Noon

We will be doing a thorough, deep clean and inspection of Green Harvest's new space. This will be their first "walk through" of their new leased space, so our tasks will vary depending upon the condition of the space. If you have these supplies, please bring: bucket, rags or sponges, a bottle of any type of cleaning fluid, Windex, Clorox wipes, rubber gloves. We do not expect that you purchase these items, but if you have them at home and can bring them along, that would be great. ***Because we are unsure of the conditions of the property or the duties, please note that for safety reasons this project is for teenagers, young adults and adults only.***

Project 2 Care Bags

HOPE UCC, 1701 Quincy Ave Unit 27, Naperville

10 am - Noon

Care Bags Foundation was founded by Annie Wignall in 2000 when she was eleven years old. Annie got the idea to start this project after she learned there were lots of kids in crisis situations who have to leave their homes with very few of their own belongings. Each month Care Bags fills over 100 bags with essential items for babies, young children and teens who have been displaced from their homes and sends bags to organizations within and outside of the U.S.

We will be decorating pre-purchased cloth bags. If you are able to bring any of the following supplies, that will be wonderful as it will reduce our costs for this project: buttons, needles/thread, permanent markers, puff paint, glitter paint pens, iron-ons, applique fabric/backing, scissors or anything else that can be safely affixed to a cloth bag. We want them to look beautiful and age-appropriate for different ages of kids. ***This project is for persons of all ages.***
