

Jesus Has Left the Building and We're Following Him.®

HELPFUL INFORMATION ABOUT OUR NEXT MISSION/OUTREACH PROJECT

Project 1

Humanitarian Service Project

HOPE UCC, 1701 Quincy Ave Unit 27, Naperville

9 am - 11 am

This project will be "sit-down" and is appropriate for people of all ages

We will be wrapping gifts for the kids birthday project at HSP. HSP will provide us with bags filled with children's birthday gifts. These gifts have been specially chosen by their parent from their "birthday store" as gifts that each child will enjoy and will be age-appropriate. HSP has very high standard for how the gifts are wrapped and prefer that adults wrap the gifts. We will be asking the children to MAKE some of the wrapping paper by decorating beige craft paper with stamps, markers and stickers. This wrapping paper will then be used by the adults to wrap. If you can help us by picking up the unwrapped gifts from HSP (prior to July 29th) or returning the wrapped gifts to HSP, please email tuckerm@comcast.net

Project 2

Ready, Set, Ride

13056 Essington Road, Plainfield, IL 60585

Team One: 8:30 am - Noon

This project is for adults/young adults familiar with construction/maintenance and able to perform lifting and climbing

This team will be rebuilding a lean-to (which HOPE helped with a couple of years ago) to get it more functional as a shady space for the horses. RSR would like this team to rebuild and secure this building to the ground. We may also be roofing the structure.

Team Two: 8:30 am - 10 am

This project is for adults/children who are able to stand and walk

This team will be cleaning the barn stalls and feeding the horses. This will involve cleaning, sweeping, cleaning water buckets, filling food, etc. If you would like, please bring LARGE carrots (not the pre-cut & peeled mini carrots) for a fun experience of feeding the horses.

readysetride.org

To sign up for this project, please e-mail Valerie Tucker at tuckerm@comcast.net or sign up on the board in the gathering area at HOPE UCC.

See you all there!

Please note the different start and end times for all these projects

Sunday, July 29, 2012
