

The mission of Horizon Community Church of Palmdale is:

"TRANSFORMING LIVES THROUGH CHRIST"

That is the central focus of this group of believers.

TRANSFORMING

"Transforming" means changing from one thing to another thing. So, from what to what? At Horizon we want to see people transformed from *unbelievers* in Christ into *disciples* (students) of Christ - people who trust in Him and do what He says.

- All of us need to make an individual choice to believe in Jesus Christ.
- God is responsible for our growth, we are responsible for seeking and purposing to grow by following Jesus Christ's example of faith and trust in God's plan for His life.
- None of us are or ever will be perfect.
- The discipleship journey is a lifelong process.

LIVES

"Lives" means our inner selves (heart) as well as our behavior. We are seeking real change that comes from the heart. -Jeremiah 31:33

- Changes will be reflected by our behavior.
- We learn to understand and live a life of GRACE as opposed to following the letter of the law (legalism) without a heart (motive) change.

THROUGH CHRIST

"Through Christ" means that we recognize Jesus as the only way to redemption, the only one who can change lives.

- Jesus Christ is our example and our Savior
- Our first love and purpose is to belong to Jesus
