LITURGY 101

Q: Do you know what part of our worship together is called "setting the table?"

A: The setting of the table happens when the bread and wine are brought to the altar as part of our community's weekly offering. The presentation of the bread and wine, and its addition to the altar in preparation for Holy Communion, is one of the most remarkable symbols of Christianity: we have heard God's word and now we are prepared to gather together at God's table to be fed with the bread of life.

GRATEFUL!
