

**Choir:** We are open to new members so if you have been listening to us the last few weeks and ponder whether you should come please do. If you have a love of music and can sing then you are invited! We meet Thursdays from 7:30-9:00. My goal as director is not just to have a choir that sings on Sunday but also see choir as a care group of sorts as we are a group called for ministry to each other and the congregation.

**Handbells:** We will start handbells at 6:45 the Thursday after thanksgiving. The ability to count is an asset for sure, but we can teach you! Handbells will be involved in special services and we will discuss time involvement the first rehearsal.
