

Staff Bio - Sonja

My name is Sonja Carmichael. I have been the Director of Education and Family Ministries at Hosanna since 2007 but have been a member of Hosanna for over 40 years (before we were even named Hosanna!). I love that I get to interact with people of all ages in Sunday School, VBS, Bible studies, and fellowship. In my spare time I like to make quilt tops and afghans for the quilting group at Hosanna. My husband, George, and I have two grown children who still insist on getting together for “family dinners” on Sunday which usually include board games, hats and a lot of noise and laughter!
