

## Our Goals

We meet all children where they are in their development and lead them as far as possible. We strive to give children a firm foundation to their future educational experiences.

We focus on five areas of growth:

**Social**—Learn to work and play in a group and individually, share and learn manners and adjust to being away from home.

**Physical**—Develop physical skills and coordination as well as large and small motor skills.

**Cognitive**—Develop creative expression, good listening skills, good health and safety habits and age appropriate readiness skills.

**Emotional**—Develop a strong sense of self.

**Spiritual**—Develop non-denominational spiritual concepts about God and a primary understanding of the Christian faith.

## About Us

Huntertown United Methodist Preschool is a non-profit organization with more than 35 years experience. Many of our former students are now bringing their children! We are proud to offer five age-based programs with a variety of class options.

Our staff is highly trained and is required to take additional training each year.

We understand the awesome responsibility we have in caring for and teaching children and strive to be the best!
